Municipal Police Training Academy

RIMPTA Training Announcement

Basic Police Motorcycle Operators Course

Program Date: July 24, 2017 – August 2, 2017
Monday – Friday

Time: 0730 – 1630 hours

Location: University of Rhode Island
Ambulance Service Building
20 Tootell Road, Kingston, Rhode Island

This course is designed to teach police motorcycle officers the skills that will enhance their safety on the road. Students spend the majority of the course riding the motorcycle with practical exercises and riding instruction supplemented with classroom instruction and demonstrations of tactical techniques.

The goal of this program is to teach officers the skills necessary to safely and effectively operate a police motorcycle while conducting daily police business in their community.

Topics to be covered include:

- Maintenance/Nomenclature
- Mounting/Dismounting, parking, picking up a fallen motorcycle, pushing the motorcycle
- Slow speed maneuvers
- High speed braking
- Curb and obstacle negotiation
- Curve negotiation
- Vehicle Stops/Escort Procedures

Target Audience: Permanent Police Officers who will be operating a department police motorcycle. Officers must be prepared for a 64 hour course that will be physically demanding. In order for an officer to receive a certificate of completion, **attendance is MANDATORY for all days of training.**

This training is offered free of charge. To register, please complete the attached registration form and fax or e-mail to Mrs. Donna Lavalley at (401) 722-3151, donna.lavalley@risp.gov by July 7, 2017. Attendance is limited to TEN (10) officers and the Academy will notify each agency regarding seat allocations once all applications have been received. Department motorcycles will be stored at URI Police Department for the duration of the training.

Special note: Students must sign a University of Rhode Island waiver of release, possess a valid Motorcycle Endorsement on their driver's license at the time of the training and bring a well maintained police motorcycle. We recommend servicing motorcycles prior to the training to ensure, brakes, clutch and tires are in excellent working order. If a motorcycle becomes disabled during training, it will be that officer or officer's agency responsible to make corrective action.
